Ref. Tidalwave Enterprises, Inc.  
1915 Pattiz Avenue  
Long Beach, CA 90815

To Whom It May Concern:

Over the passed two years Tidalwave Enterprises has completed numerous construction projects for 7-Eleven, Inc. Those projects have consisted of new construction ground-up facilities and our traditional tenant improvements for new stores.

Tidalwave has always more than exceeded our expectations' their attention to detail and professionalism are exceptional.

Tidalwave management has never missed a scheduled opening or deadline placed on them. Tidalwave recently finished a massive demolition and re-construction in record time this allowing 7-Eleven, Inc. to open this facility much early than scheduled.

I recommend Tidalwave Enterprises, Inc. to RCA as I have done to others in the Retail Industries.

Robert Webb  
Construction Manager  
Southwest Division  
7-Eleven, Inc
